1.0 Introduction

AlumnIQ is dedicated to helping alumni and friends interact with our sponsoring institutions through the use of a secure and efficient engagement platform. This platform includes publicly-facing services for event registration, online giving, email subscription management, membership management, profile management, and directory services. In order to provide these services, we collect personally identifiable information about you (and your guests, at times). Our Privacy Policy noted below works in conjunction with our Terms and Conditions.

Clients contract the use of our application and give access to their employees and other third parties, as solely decided by them, by creating users who access the application with their email address and credentials.
